Landis C. Deck & Sons Site Contractors Contributes to ABC's "Extreme Makeover: Home Edition" Project

This Sunday, October 24, 2010, [Landis C. Deck & Sons Site Contractors](#) (LCD) will appear on [ABC's](#) hit series "[Extreme Makeover: Home Edition](#)," airing at 8:00PM on ABC.

The project took place at end of July 2010 in [Tilden Township, Berks County](#), which is about 15 minutes from the LCD office in Bernville, PA. LCD became involved through [L.A. Kehres Building & Remodeling, Inc.](#) (L.A. Kehres), who, as well as LCD, is a member of the [Home Builders Association of Berks County](#). The Home Builders Association was enlisted by the show to perform the project. Because LCD had performed work in the past for L.A. Kehres, the owner, Larry, a member of the "Build Team" suggested that LCD complete the site work for the project.

The project consisted of the [demolition](#) of an existing but structurally deficient farmhouse, which was occupied by a family in need, and the re-building of a new home in which the family will reside. The parameters of the show allow one week for the completion of the project. The family is sent away on a 7-day vacation while all the work is completed, and the house is revealed to them upon their return. LCD worked from Day 1 until their work was complete on Day 6. LCD's portion of the project included all [site work](#), including excavation, grading, and installation of the septic system, as well as the driveway installation. LCD's generous donations to the project included labor, equipment, [stone](#), [fill](#), and [topsoil](#).

It is noteworthy to mention that this project was completed in the second fastest time ever in the history of the show, and was the fastest for a conglomerate of builders, such as the [Home Builders Association of Berks County](#).

LCD provides full-service site contracting from their base of operations in Bernville, PA, and has been a proud member of [The H&K Group](#) Family of Companies since 1998. For more information on LCD or [The H&K Group](#), please phone 610-488-8929 or visit [www.hkgroup.com](#).
